Lindzey Coonradt

Product Designer | Frontend Developer

Salt Lake City, UT | lindzeycoonradt@gmail.com | GitHub | LinkedIn | Portfolio

WORK EXPERIENCE

Software Quality Assurance Engineer— *LifeVantage*

SEPTEMBER 2025 – PRESENT

- Performed manual testing for an e-commerce web application supporting 20+ markets
- Tracked issues in Jira and developed automated tests for core user flows
- Documented test progress and created test plans

TECHNICAL PROJECTS

Community Coffee — *Mobile App Figma Prototype*

Figma Prototype

- Designed and iterated on an interactive mobile app prototype designed in Figma using components, auto layout, and prototyping
- Conducted usability testing with 5+ users to make revisions that focus on human centered design
- Built reusable Figma components and responsive layouts to maintain consistency across major user flows

Let's Eat — *Full Stack Web Application*

Git repo | Figma Wireframe | Video Demo

- Designed and developed a restaurant-discovery application supporting map search, reviews, and saved locations
- Created wireframes and translated the interface into a React frontend backed by FastAPI and PostgreSQL

Loops and Knots — *Full Stack Web Application*

Git repo | Figma Wireframe | Video Demo

- Designed and developed a yarn and knitting/crochet pattern library application
- Leveraged Bootstrap framework to create a responsive and consistent interface
